**TNS India Foundation**, a charitable organisation registered under section 25 of the Companies Act 1956, having PAN number **AAECT4021D**, and having its registered office at 302, Wellington Business Park 2, Andheri-Kurla Road, Andheri East, Mumbai- 400069, Maharashtra, India, hereinafter referred to as “**TNSIF**”, represented by its Managing Director, Rupa Bohra.

### **Background**

**TNS India Foundation (TNSIF)**, a section 25 Company incorporated under the provision of The Companies Act, 1956, is conducting a “**Future Skills Program**” for the enhancement of employability and workplace skills for deserving youth.

In this connection, TNSIF intends to be associated and work closely with **Sri Sai College for Women** to conduct employability training through an Online Learning Platform (OLP) and equip college faculty to drive the training program and its objectives for the final year college students. This will include activities throughout the year. Further, TNSIF will continue to support trained students on placements for 6-10 months post their final examinations.

Facets of the Program:

1. The employability training program includes Communication Readiness, Interview Readiness, Personal Development, Work Readiness, and Digital Readiness and Aptitude readiness.
2. The student training will occur online on the learning platform, and weekly touchpoints will be conducted offline by college concerned college faculty.
3. There is **no cost involved for students** to attend the above-mentioned training.
4. Each training batch size will be about 35-45 students. Students will be required to complete the training material provided on the Online Learning Platform within a designated period of time.
5. Sessions of duration 2 hours each are to be conducted weekly for each batch by college faculty. College faculty will be required to follow up with students who are not regularly completing training on the Online Learning Platform.
6. College faculty will be required to provide extra support to students who are consistently unable to clear the tests and assessments on the Online Learning Platform.
7. College faculty will provide career guidance/counselling support to students who are enrolled in this program.

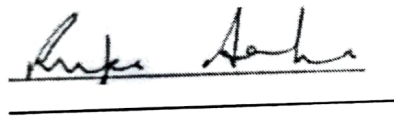

8. Placement reports of students linked to job opportunities will be provided to the college once placement activities commence.

**Sri Sai College for Women agrees to –**

1. Facilitate dissemination of information regarding the C2C Program to the final year or recent graduates and mobilise students.
2. Recommend college faculty members who can train students and drive the training program for the said academic year.
3. Allow and encourage students to access and complete the training program through the Online Learning Platform. This includes providing time on a daily basis within the college schedule for students to gather and undertake the training via OLP.
4. Provide one contact point who could be approached for any support related to this program.

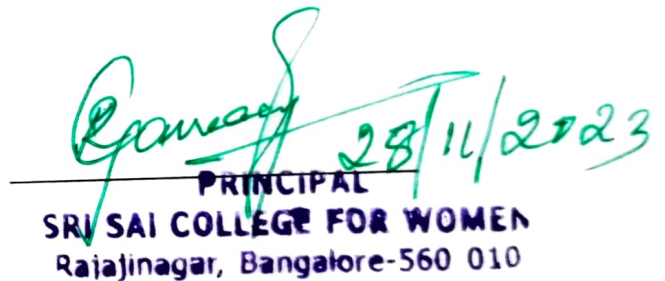

This MOU is neither a contract nor is it legally binding in any way, nor does it commit any financial expenditure from or for either party.
